🎓 Education

Electronic Engineering, *Universidad Tecnológica Nacional* [🔗](#)

I'm a second-year electronic engineering student.

GPA: 9.0 / 10.0

Relevant Coursework in Electronic Devices I, Digital Techniques I, Physics II, Statistics and Probability.

2021 – Present

Buenos Aires,
Argentina

Bachelor in Natural Sciences, *Santo Cristo*

GPA: 8.61 / 10.0.

Remarkable classes: Physics, Mathematics and Ambient, society, and development.

2020

Buenos Aires,
Argentina

🎓 Courses

CS50 Web Programming with Python and JavaScript, *Harvard University*

Modeled, organized and programmed various kinds of Full Stack websites.

Managed Data Bases, API and Interactivity of the page.

Tested and upgraded the requirements of the projects with Django / Git Testing and CI/CD.

Mar 2022 –
May 2022

CS50x, *Harvard University*

Analyzed, designed and built the solutions of each Problem Set proposed.

To accomplish the tasks ///

I studied and researched through the documentation in the course and individual content.

I gained a lot of helpful tools and problem-solving techniques.

Feb 2022 – Mar 2022

Algorithms and programming with Python, *National University of General San Martin*

Handled data structures, search algorithms and advanced Python functions.

Treat some Data Sets and interpreted data to report the conclusions.

Jul 2021 – Nov 2021

Buenos Aires,
Argentina

🧠 Skills

Web Programming

● ● ● ● ●

HTML, CSS, JavaScript, React, Django / Slack and SQL

Languages

Native Spanish and Pre-Intermediate English.

Software Developer Soft Skills

● ● ● ● ●

Git, API's, OOP / Functional / Sequential Programming

Data Treatment

● ● ● ● ●

Pandas, Numpy, Matplotlib and Sklearn Python libraries.

🔗 Interests

Climate change and Green energy Production (Since I was 14 years old, I started to become aware of Climate Change. I decided to study engineering while I develop how many abilities I can in order to be capable of making change and help in the fight we all have to affront /// deal with.)

Hobbies (I have always liked reading. In my free time, I practice track and field athletics, ride and repair my bicycle.)
